EXT. SNOW CONE STAND - NIGHT FLASHBACK

The moment Stink sees AVA ANDERSON and her friends his demeanor changes from a trance like state to an awkward confidence.

STINK

Hey, Ava.

Ava's friends giggle at Stink.

AVA

Hey...um...

STINK

Stink.

Ava looks confused when she hears the word Stink. Her friends giggle even more.

STINK (CONT'D)

My friends call me Stink.

AVA

Oh.

STINK

Allow me to buy you a snow cone.

Ava directly addresses the camera.

AVA

Do you really think I would ever like a guy named Stink? Come on. But If the kid wants to buy me a snow cone, I'm not going to say no.

Ava's friends are looking Stink up and down and giggling.

STINK

What would you like?

AVA

I would like a sweet tart please.

Stink steps up to the counter to place her order with the SNOW CONE WORKER.

STINK

For this lovely lady, I'd like one large sweet fart.

Horror covers Stink's face. There is a smattering of laughter behind him. Stink turns red as he faces the girls.

He tries to laugh with them, but the forced laughter causes him to push out a tooth.

At first the girls stand in shocked silence, and then there is an eruption of laughter.

Stink flees the snow cone stand faster than a frightened feline.
