

ERIC
I'd do my best.

MADDY
Do your best? What does that mean?

ERIC
I can't afford another kid. Kids are expensive. But yeah, if you did, I'd do my best. But you gotta know I don't have a lot of money Maddy. I just don't.

Maddy doesn't respond.

ERIC (CONT'D)
What are you going to do?

MADDY
I'm going to check on Peyton. You've gotta leave.

ERIC
You can't leave me hanging like this. What are you going to do?

MADDY
I said I don't know!

VICKY

I'm not far.

KIM

The call ends. Vicky does a u-turn.

As Vicky dives back into the action, she passes...

Steve and Olivia walking by.

STEVE
Phones are back up.

Olivia is straight on her cell.

STEVE (CONT'D)
We should get more volunteers out
communicating with EMS.

OLIVIA
Can I just try my husband?

They pause beneath a streetlight. It's bent, but not broken.

STEVE
We've got three more firetrucks on
route from --

The streetlight above them flickers on. Olivia looks up. What the hell?

STEVE (CONT'D)
The grid should be off.

OLIVIA
Kim was going to do it.

Olivia hangs up her phone just as a CAR DOOR SLAMS.

A volunteer stops at Rick.

TAMMY
What's happening?

VICKY
He's getting an ambulance ride.
You're family?

TAMMY
He's my husband.

The volunteer hands Tammy a form. Tammy looks down. Just the basics: NAME, DATE OF BIRTH, ADDRESS, INSURANCE PROVIDER, ETC. She fills it in quickly.

Luke appears by his mother's side.
