EXT. MEETING HOUSE - NIGHT

The meeting house is on the corner of a neighborhood street. Cars are parked along the curb as far as the eye can see. From the outside, the home looks packed.

The crowd is lively and vibrant with young people of all ages, race, and sex. A lot of them are on the porch smoking cigarettes, talking and laughing.

Utah makes his way through the crowd. On his way to the front door a few pretty girls smile at him.

Start Sc. 1

At the front door this is a man MARK (30's) and a woman ANYA (33) on each side. As Utah tries to walk through they introduce themselves.

MARK

Hey, I'm Mark.

ANYA

I'm Anya. What's your name?

Smiling at him, he doesn't know what's going on.

UTAH

Uh, I'm just meeting a friend...
Sorry.

End Sc. 1

He squeezes through the door and is inside.
