The Sneak Over

INT. STATS' GAME ROOM - DAY

Mrs. Blevins readies the game room when she is surprised by Mr. Blevins' demeanor.

MR. BLEVINS
Why is our kitchen filled with
children?

Mr. Blevins directly addresses the camera.

MR. BLEVINS (CONT'D)
She knows what she did. Instead of
going to a party with me, she would
rather spend the evening watching
comic book movies with the kids.
Watch her "forget" about the
Henderson's party.

Mrs. Blevins can not hide her excitement.

MRS. BLEVINS
We're watching *The Blue Shadow*
tonight.

MR. BLEVINS
The Henderson's party is tonight.

The look on her face clearly shows she has no recollection
of a party tonight.

MRS. BLEVINS
Oh. I completely forgot. No problem.
You go to the party and I'll stay
with the kids.

Mr. Blevins raises an eyebrow indicating this was not the
right answer.
