

MONICA
[It's a miracle...]

JACOB
[I told you it would be fine...]

Monica thinks on these words.

147 INT. KOREAN GROCER - DAY 147

Anne and David look at PIGS FEET for sale.

ANNE
Look!

David can see toward the back room:

Jacob talks with the OWNER (40s). They are laughing together.
Their conversation is inaudible.

The owner looks at the produce box, smells the produce.

148 BACK ROOM 148

The owner flips through the BROCHURE OF THE FARM. There's a
picture of DAVID AND ANNE ON THE TRACTOR.

OWNER
[Shrewd business idea, many Koreans
are moving to this area...]

Monica watches.

JACOB
[Yes, and most of your produce
comes from California, so it
arrives badly, with no taste. We're
five hours away.]

OWNER
[Very good.]

JACOB
[What day is good? My wife she
works, so I can come any time.]
