Blue Gunman spins the ring handle and opens the massive vault door. It reveals a second, rectangular door inside.

ARIELLE

scans the crowd. She hears DING and looks at her phone. She sees the live stream.

ARIELLE

Shit.

She is about to stop it when she sees that more than 800,000 people are watching it live. Likes and comments are flying up the screen, too fast to even read. The viewers are very quickly continuing to climb. She catches one comment: "Holy shit! Live streaming a bank robbery?! Coolest shit ever!"

DEAN

(to Arielle)

What's wrong?

She takes her thumb away and continues to let the phone live stream.

ARIELLE

Nothing.

VAULT

Blue Gunman inserts the key, turns the wheel and the second massive door opens.

DEAN

looks over in Kyle's direction when:

BLUE GUNMAN (O.C.)

Hey!

Kyle turns and runs into the vault. Dean watches. He looks at Arielle who shrugs and then turns back as Kyle comes running out, beelining for the Manager.

He motions for her to watch the customers and walks over towards the

VAULT

Dean enters and looks in: it's empty.

DEAN (cont'd)

Fuck.

He turns walks back out as Kyle continues to interrogate the Manager.

MANAGER

-- it alternates on a three week schedule. It came in yesterday morning, went out yesterday afternoon.

DEAN

(to Kyle)

We gotta go.

KYLE

(to Manager)

No. The money's here. Where'd you hide it?

MANAGER

We don't hide it.

Arielle registers that something isn't right. Points her phone towards Kyle and Dean.

DEAN

Kyle!

MANAGER

Why would we hide it if we didn't know you were coming. It's not here. I don't know who told you it would be here but it's not.

KYLE

Fuck!

End Sc. 1

Kyle turns red, pulls his pistol and EXECUTES THE MANAGER -- everything captured via Arielle's Livestream.

All the customers SCREAM.
