EXT. RYDZE HEADQUARTERS - VALET STAND - SAME TIME

Brannigan's self driving Maserati SUV pulls up.

The door opens and Diggy jumps out and GASPS for air. Diggy's face has RED SPLOTCHES all over it.

Brannigan gets out casually, and the valet walks over for the keys. Brannigan looks him up and down.

BRANNIGAN
(to valet)
You legal?

VALET
Excuse me?

BRANNIGAN
Never mind.

The valet reaches his hands out for the keys.

BRANNIGAN (CONT'D)
(putting keys in his own pocket)
We'll just leave it parked right here.

VALET
I'm sorry, sir, you can't --

BRANNIGAN
(with a laugh)
Call the cops.

Brannigan and Diggy walk in. The valet grits his teeth.
