

Breaking Them Up

Server

55.

PHIL (cont'd)
And sometimes we'd be at diners -
kind of like this one - and she'd
blurt out something, and we'd stage
a fight in front of the whole place
and everyone would stare at us.

Laurie even musters a small smile.

PHIL (cont'd)
WHAT DO YOU MEAN, HE'S NOT MY KID?
HE LOOKS JUST LIKE ME?!

Start

People look over as Laurie's embarrassed.

LAURIE
C'mon, knock it off.

Phil rolls his eyes, he tried. Damien returns to his game.

SERVER
Are you guys almost ready?

PHIL
A few more minutes, please.
(off Laurie's look)
What's the rush?

End

Through the window, Damien sees Erin on the street corner.

LAURIE
I'm starving here. I told you this
when we walked in.

DAMIEN
I'll be right back. Let me know
what I miss.

Damien gets up and heads out the door.

EXT. SHOPPING CENTER - NIGHT

Erin's dolled up, even wearing a little make-up. Damien
comes from behind and startles her.

DAMIEN
GIMME ALL YOUR MONEY!

ERIN
Ahhh! What are you doing here?
