

TITLES: 15 YEARS LATER

3 INT. CECE'S HOUSE - LIVING ROOM - MORNING 3

Dancing Nancies continues to play.

CLOSE UP on Wren's blissful sleeping face.

Eyeliner and mascara leak down her cheeks. Lipstick is smeared around her mouth. Her snarled head rests on a throw pillow, hair in every direction.

Wren sighs happily. Then she feels something poke her. She twitches, swats at it. Poke. Wren cracks open an eye.

Sc.1 Start

Perched on a coffee table inches from Wren's face is **COREY CRAIG** (4), still in her PJs. She's very carefully applying a sticker to Wren's exposed boob, which has burst free from her tiny, skin-tight dress.

COREY

Your ta-ta's are different from my
mom's.

Dancing Nancies comes to a screeching halt. Beat. Wren can't help herself...

WREN

Whose are nicer?

Corey ignores this and glares at her resentfully.

COREY

I wanna watch *La-La-Loopsy* and
you're in my seat.

Wren reaches out a hand unsteadily and drags it slowly down Corey's angry little face.

WREN

Shhhh, honey bunny. Shhhh.

COREY

Mo-om! Aunt Wren is sleeping on the
couch *again!* I wanna watch *La-La-*
Loopsy!

Sc.1 End CECE, a little momish, but still effortlessly cool, enters.

CECE

(looks down at Wren)
Coffee?

WREN
I have. Yes.

19

INT. CECE'S HOUSE - LIVING ROOM - NIGHT

19

Sc.2 Start

Wren opens the door and walks into Cece's house, an expectant smile on her face. She looks good, dressed like a slutty teenager and ready to party.

Corey runs into the room, yelling. She turns on the TV and jumps on the couch, begins bouncing around.

Wren's smile fades just a bit.

WREN
Hey, Corey.

COREY
Hi.

WREN
What are you doing?

COREY
Watching TV.

WREN
Isn't it time for bed?

Corey gives Wren a withering glance.

COREY
No, dummy.

WREN
That seems kinda uncalled for.

Sc.2 End

Cece enters the room and rushes over to hug Wren.

CECE
Happy birthday! You look hot!

They pull apart and Wren gets a good look at Cece. She looks fine, but she's wearing flats. Nobody wears flats to party.

WREN
(obviously lying.)
So do you.

Wren gestures to Corey.

WREN (CONT'D)
So, what's--
