The Sneak Over
written by Brandon Bergin

INT. STATS' GAME ROOM - DAY

Henry is mortified. He can't move or speak.

CHIP

Henry? Henry?

STATS

He's in shock.

Chip waves his hands in front of Henry, but there is no response. Chip claps his hands inches from Henry's nose, but it does not phase him.

CHIP

Henry! Henry!

STINK

Step aside. I got this.

Stink cups his hand and puts it directly over his own bum.

STATS

Cup o' fart?

STINK

It's the only way.

STATS

If my calculations are correct, there is a 50% chance he won't survive.

STINK

You're calculations are never correct.
