LAURIE
I've never heard of a plane just
falling out of the sky so I will

She parks at a pizza restaurant and hands Damien a cell
phone and he steps inside.

INT. PIZZA RESTAURANT - NIGHT

MANAGER
Damien. What's going on?

DAMIEN
My dad forgot his phone, you know
how he is. Can you get it to him?

End

The manager stares at Damien, holding out the phone.

INT. LAURIE'S CAR - MOMENTS LATER

Damien comes back in, phone in hand.

LAURIE
What happened?

EXT. PARK - NIGHT

Phil, in his work attire, plays chess with an OLDER MAN.
There's a few other games around them.

A hand flies in, swiping the pieces off the table. The
older man stares blankly, like it's totally normal.

Laurie then slams Phil's phone on the chess board.

PHIL
Shit..

Laurie looks at Phil, then leaves and Damien follows her.

INT. DAMIEN'S HOUSE - NIGHT

Laurie and Phil argue in front of Damien.

LAURIE
How could you quit your job?!
