

SID  
Lena, told her you might be able to help her out, she knows the deal.

WOOD  
Ever been to treatment before sweet heart?

LENA  
Once, for a week.

WOOD  
Well you know you gotta stay the full thirty days, right? You leave early, you don't get paid.

LENA  
Yeah.

SID  
I told her the deal man, can you set her up or what?

WOOD  
I think so.

Utah hands Wood two grand.

UTAH  
Here.

Wood hands it across the table to Sid.

SID  
Pleasure...

WOOD  
Don't do it all at once, Sid.

SID  
Ya-ya...

Sid stands up from the table counting his cash, he looks at Wood - concerned.

SID (CONT'D)  
You forgot somethin'...

Gesturing toward Lena, Wood shake his head.

WOOD  
When she's admitted.
