

NATALIE

You want to kick up with your legs  
and over.

Elizabeth tries but doesn't kick far and she falls over, onto  
her butt. Natalie extends a hand to help her up.

ELIZABETH

I stink.

NATALIE

Hey, don't say that about my good  
friend Elizabeth.

Elizabeth laughs.

NATALIE (CONT'D)

Let's try this.

Natalie shows Elizabeth how to stand to get ready for a  
cartwheel.

NATALIE (CONT'D)

And, kick!

**Start**

---

Natalie heavily spots her in a cartwheel and she brings it  
back around to her feet. Elizabeth smiles.

NATALIE (CONT'D)

One more time!

Natalie helps Elizabeth do one more. She's getting the hang  
of it.

Just then, Elizabeth's mom approaches.

ELIZABETH'S MOM

Hey kiddo, we gotta get going.

ELIZABETH

But I'm learning cartwheels.

ELIZABETH'S MOM

I promise you'll be back soon.

(beat, then)

Hey, you have a big meet coming up,  
right?

NATALIE

Yeah, I'd love if you all could  
come. I can put aside a couple  
tickets for you.

ELIZABETH

Can we please go watch Miss  
Natalie? Please, Mom?

ELIZABETH'S MOM

I think we could make that happen.

Elizabeth is so excited.

ELIZABETH'S MOM (CONT'D)

If you do all your homework and  
chores this week.

ELIZABETH

I promise.

NATALIE

Can't wait to see you there.

---

**End**

ELIZABETH

Good luck, Miss Natalie.

NATALIE

Thank you! I'll try to stick that  
landing just like you did.

Elizabeth is smiling from ear to ear as her mother leads her  
off.

INT. OKLAHOMA SOONERS GYMNASTICS GYM - AFTER HOURS

Chayse and Logan are on the floor. Chayse is teaching Logan a  
round off-back tuck. Chayse does one first.

CHAYSE

Think you're ready?

LOGAN

Maybe?

CHAYSE

That's the spirit. I'll spot you.

Logan does a pretty flawless round off-back tuck with Chayse  
helping her a little. They high five.

LOGAN

Okay, I did one, now your turn. I  
think you should add these to your  
routine!

Logan does some power moves -- head spins, windmills, the  
1990, etc.
