

REGINA

Sal rides separate from us, she takes the equipment, supplies. She's too well known at this point, so she can't afford to be so hands on these days. I need to call her.

54 EXT. SIDE OF THE ROAD - DAY

54

Start

The ladies stand by as Regina shows Sal a news video playing on the phone. (Newscaster stands on a college campus)

NEWSCASTER

Tensions are high after hearings at N.C.U. led to a unanimous decision of non-conviction, by the disciplinary board. The case at hand was based off of claims of sexual assault and rape made against the N.C.U. Chapter of the Delta Kappa Epsilon house. The claim was made after this photograph...

An image of a young blond woman passed out on a lounge completely naked. A boy stands over her unconscious body smiling and giving a thumbs up to the camera.

NEWSCASTER (CONT'D)

...surfaced. Members of the student body were protesting as soon as the decision came in...

End Sal puts the phone down, she has seen enough.

REGINA

We're only twenty-four miles away.

SAL

Do we know anyone over there?

REGINA

Rudy lives in the next town over. They sent Lily the video.

SAL

It'll take time. We'd fall behind.

REGINA

We can't just let this go though, right?

Joey takes the phone from Sal's hands.
