

Cece gives Laurel the finger.

RECEPTIONIST (O.S.)
(confused)
Wren Pepper?

LAUREL/CECE/JILL
Okay, here we go! Good luck! You're
gonna be fine, you're so brave!

Corey mimics Cece, giving Wren the finger. Wren glares at her, then stands and marches to the door leading to the examining rooms. She throws it open and marches inside, bypassing the **RECEPTIONIST** completely.

JILL
(to Cece and Laurel)
What the fuck's a goiter?

36 INT. JEFFERSON HOSPITAL - HALLWAY - CONTINUOUS 36

Wren bursts through the doors and run-walks down the hallway.

The receptionist is right behind her.

Start

RECEPTIONIST
Excuse me! Ms. Pepper! Where are
you going?

Wren groans and turns around slowly.

WREN
I am on my way to see the doctor of
cancer. The, um, oncolololgist. For
my doctoring. My treatments.

RECEPTIONIST
I don't have any record of you in
our system. Which doctor are you
suppose to be seeing?

WREN
Doctor...Grey.

RECEPTIONIST
Doctor Grey?

WREN
Mm hmm. Doctor Meredith Grey.

RECEPTIONIST
There's no Doctor Grey here.

WREN

Maybe it was Doctor Bailey?

RECEPTIONIST

I'm sorry. No one from the cast of Grey's Anatomy works at this hospital.

The phone RINGS back at the front desk. The receptionist looks back, distracted.

WREN

I have no idea what you're talking about. But it's possible I've come to the wrong hospital. I have done that before.

RECEPTIONIST

Well, if you hop on a plane you might be able to make it to Seattle Grace by tonight.

WREN

Actually? It's called Grey Sloan Memorial now. And I will keep that in mind. Can I please use the little girl's room before I go?

The phone RINGS again. It sounds louder.

WREN (CONT'D)

The one in the waiting room has been occupied for like forty minutes. You should check that out.

RING. Wren looks at the receptionist pleadingly.

RECEPTIONIST

Okay. Fine.

The receptionist hurries off. Wren enters the bathroom.

End

37 INT. JEFFERSON HOSPITAL - BATHROOM - CONTINUOUS 37

Wren locks the door and turns on the light. She sits on the closed toilet lid and starts to play Fortnite on her phone, settling in to hide from her friends.

38 INT. JEFFERSON HOSPITAL - WAITING ROOM - SAME TIME 38

Laurel does tricep dips off a chair while Cece highlights her self-help book and Jill types on her laptop.
