The Sneak Over
written by Brandon Bergin

EXT. STONEGATE ESTATES SIDEWALK - NIGHT

Chip pulls *The Blue Shadow* from Henry's waistband and extends it as a peace offering. Mike takes the movie and holds it reverently.

MIKE
Is this a book?

HENRY
It's a VHS, you moron.

MIKE
What's a VHS?

MARK
It's like an old-timey DVD.

Mike examines the cover and opens it to reveal the VHS tape.

MARK (CONT'D)
Is it *The Blue Shadow*?

MIKE
Yes.

Mark pushes Henry to the ground and stands by his brother's side. They look at the movie as if it were a lost treasure.
